

We have a new Saturday branch opening in Windsor for autumn term 2012!

The new branch will offer our popular Triple Threat (acting, singing and dancing classes) initially, followed by a Windsor branch of our teen theatre company 'Medusa' in later terms.

The new Saturday-only branch is based in Windsor Youth Centre, on Alma Road, just a five minute walk away from the main high street, buses and trains. There is free car parking on site.

Just like our own studios in Bracknell, the new school has a bright dance studio, and separate spaces for music and drama.

We would like to welcome all our new students and their families! Both branches will meet for the first time at the annual Christmas show.

## Oliver Is Huge Success

*Oliver Twist*, our summer show that played at the Kenton Theatre from the 13th - 15th July, was a huge success. Big thank you to the cast for being wonderful (and behaving like total pro's, even the little ones), the staff who gave their time so generously, and of course our volunteer mums and dads. Without them chaperoning and helping with the get in and get out, such a special show would never have been possible!

## classes in the spotlight

**ARTEMIS PETITE** - A Triple Threat experience for very little people! For ages 3-5, Artemis Petite is singing, dancing and acting at a pre-school/reception level. This class has been so popular with small people that a number have now graduated up to Triple Threat Beginners, and we need some fresh young faces! Free trials always available (subject to numbers, min 7, max 14), just call and book.

Wed, 4.00pm-5.30pm 12 week long terms.

**BABY STEPS TO BROADWAY** - NEW for september, this intensive musical theatre class is for any children who want to be seriously considered for West End musical theatre work. The class is taught by Josh Barrow and James Ball, who will put students through their paces in singing, dance and audition speech each week. Motivated students who meet height, age and skills criteria will be able to be put forward for real auditions and work in future terms. DISCOUNTS and limited partial bursaries are available to Triple Threat students (current in the same term) who wish to take this class to supplement their work on Saturdays.

Sat, 3.30pm-5.00pm 11 week long terms.

**LEVEL ONE STUNT CHEER** - Hot on the heels of our success at International competitions with our Street Cheer/Hip Hop squads, we are pleased to announce a brand new group! Initially this class will focus on Level One stunt training - which is very gymnastic and requires skill, dedication and a desire to win! As the class members progress, we will add both a level two class, and also begin placing the keenest students in a competitive new cheer team - focusing on traditional cheer (our current International squads focus on Cheer Dance, and place very highly at competition). DISCOUNTS: Any child already enrolled (and current in the same term) in Triple Threat, Baby Steps to Broadway or JV/ASA Street cheer receive a multiple class discount on this course of £55, bring the course fee down to £125 a term

Sat, 5.00pm-7.00pm 12 week long terms.

**ADULT ACTING** - this popular class returns after a short break from September with a new tutor (Rebecca Moir) and new format. There will be a free taster class for any over 18's who would like to try it on Wednesday 5th September. Maximum 16 places, with four places remaining when we went to press.

Wed, 7pm-8.30pm 12 long week terms.

## JV Stars, National Champions

Artemis JV Stars placed first at an International competition, to take the title of 'Future Cheer Junior Hip Hop National Champions 2012'!

The team of dancers, aged 10-15, began competing last year, when they came third. This year, their overall score was amazingly high - with one judge saying on their score sheet that she would have been proud to have performed the routine - she enjoyed the choreography so much!

The junior team have opened up five places for reserves (trainees for the squad) for the autumn term, with three places already now taken by students graduating from our 7-10's Petite Street class. Two places left for keen and ambitious young dancers!

We will also be starting a level one stunt cheer (traditional cheer work including gymnastics) group in September (Saturdays 5-7pm), sign up now to be in at the start of another champion squad! Discounts and limited partial bursaries are available to existing Triple Threat and Cheer dancers for the first term of this new class!

**DON'T FORGET ALL OUR CHILDREN'S COURSES CAN BE PAID FOR WITH CHILDCARE VOUCHERS - WE ARE OFSTED REGISTERED!**

## Artemis Olympians

**AUGUST** We are super proud that our current and graduate students took part in the 2012 games.

**Rachel Fletcher** and **Susan Brown** (both in Adult Acting) danced, drummed and performed their way through the opening ceremony. They then returned for the closing ceremony later in August.

Medusa graduate (now at Uni) **Matthew Juden** was given the honour of being part of the medals ceremony! He could be seen holding the Silver medal (tallest of the three in purple).

## West End Masterclass With Casting Director Jo Hawes

**JULY** This was a fantastic chance for 20 children aged 7-15 to meet and learn from a real casting director. Jo casts shows such as Shrek, Les Mis, Oliver (she recently cast Tyler from Triple Threat), Mary Poppins and more. The workshop was an intensive audition masterclass!

## LAMDA Acting & Musical Theatre Exam Results 2012

**APRIL** The long-awaited LAMDA results for 2012 were in! Every single student who took the group musical theatre **exams** gained a **Distinction**. All of the Acting students gained either a

**Merit** or **Distinction** for their work!

We couldn't be more proud of all the students who took part, and we hope everyone has been inspired to take more exams in early 2013.

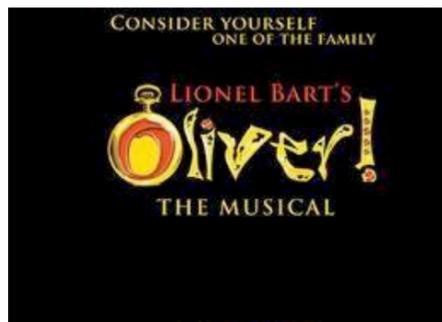

## Congratulations To Acting Students

**MAY** Congratulations were due to **Tyler Keohane**, who had booked his first big tour. The Artemis Triple Threat Advanced student will be touring with **Oliver!**, which has taken a break from the **West End** to tour throughout the UK until March 2013. Tyler will appear as 'Dipper' one of Fagin's gang. He will be working with famous actors and comedians Brian Connelly and Neil Morrissey (both as Fagin) amongst others. This is a good year so far for Tyler,

who also booked a **Snoop Dog** music video - his first music video.

Also booking their first paid jobs were **Aiden Morgan** and **Jade Briggs** (both only 6), who appeared in an educational video. Adult acting student **Rachel Fletcher** (22) also booked a job as a model for Getty Images.

For more success stories visit our website!

## Beale Park Boat Show

**JUNE** The Beale Park Boat Show has grown considerably in recent years. The Artemis Senior Allstars, Production Dance (senior and junior) and JV's were asked to perform for the 2012 show especially for the Queens Jubilee. They did a wonderful job entertaining the visitors - despite the wet weather we were having!

## Wokingham Jubilee Performance

**JUNE** The Senior Allstars performed their new competition routine for Wokingham Council's Queen's Jubilee in Elms Field. This popular squad now have more requests to perform than they can accept!

## Marvellous Festival

**JULY** The Artemis Senior Allstars (Hip Hop and Cheer squad) and Junior Varsity Starz (our junior Hip Hop/cheer squad) performed again for 6000+ people at Marvellous Festival throughout the weekend. We are the official dancers for the event, and also provide free workshops for children visiting. The event takes place every summer at Wellington Country Park.
